L. First aid measures	_	_					
4.1. Description of first	aid measure	es					
General information If you feel unwell, see and shoes immediate		ce (show the	e label w	here pos	sible). Tak	e off contaminated clothing	J
After inhalation	,						
Ensure supply of free breathing: artificial re		nt of sympto	oms take	e medical	treatment.	Irregular breathing/no	
After skin contact							
Wash immediately w	ith plenty of wate	er for severa	al minute	es. Consu	It a doctor	if skin irritation persists.	
After eye contact							
Separate eyelids, wa	sh the eyes tho	oughly with	water (*	15 min.). l	n case of	rritation consult an oculist.	
After ingestion							
Rinse out mouth and person. Summon a c			k. Never	give any	hing by m	outh to an unconscious	
5. Firefighting meas	ures						
5.1. Extinguishing med							

#### Suitable extinguishing media

Water spray jet, Carbon dioxide, Alcohol-resistant foam, Dry powder, Extinguishing measures to suit surroundings

#### Non Suitable extinguishing media

Full water jet

#### 5.2. Special hazards arising from the substance or mixture

In the event of fire the following can be released: Carbon monoxide (CO); In the event of a fire, toxic and combustible gases can be formed. Carbon dioxide (CO2)

# 5.3. Advice for firefighters

## Safety data sheet in accordance with regulation (EC) No 1907/2006

Trade name: Valeriana Urtinktur

Substance number: 258765

Urtinktur P20

Version: 1 / CH Replaces Version: - / CH

Date revised: 04.06.12 Date of printing: 04.06.12

Special protective equipment for fire-fighting

Wear full protective suit. Use self-contained breathing apparatus.

#### Other information

Cool endangered containers with water spray jet.

# 6. Accidental release measures

## 6.1. Personal precautions, protective equipment and emergency procedures

Ensure adequate ventilation. Remove persons to safety. Keep away sources of ignition.

### 6.2. Environmental precautions

Do not discharge into the drains/surface waters/groundwater.

#### 6.3. Methods and material for containment and cleaning up

Take up with absorbent material (eg sand, kieselguhr, universal binder). Send in suitable containers for recovery or disposal. Clean up affected area.

# 7. Handling and storage

# 7.1. Precautions for safe handling

#### Advice on safe handling

Keep away from heat and sources of ignition. Take precautionary measures against electrostatic loading.

#### 7.2. Conditions for safe storage, including any incompatibilities

### Requirements for storage rooms and vessels

Keep tightly closed in a dry and cool place. Storage rooms must be properly ventilated.

# 8. Exposure controls/personal protection

### 8.2. Exposure controls

#### General protective and hygiene measures

Avoid any contact with the body. Observe the usual precautions when handling chemicals. Keep away from food-stuffs, beverages and feed-stocks.

#### **Respiratory protection**

necessary; Do not breathe vapours, dust or aerosol. Provide adequate ventilation.

#### Hand protection

Appropriate Material Gloves / resistant to chemicals

#### Eye protection

Tightly fitting safety glasses

#### **Body protection**

Fire-resistant protective clothing

# 9. Physical and chemical properties

### 9.1. Information on basic physical and chemical properties

	1 2
Form	Liquid
Colour	brown
Melting point	
Remarks	No data available
Boiling point	

## Safety data sheet in accordance with regulation (EC) No 1907/2006

# 10. Stability and reactivity

### 10.4. Conditions to avoid

Heat

## 10.5. Incompatible materials

Alkaline metals, Ammonia, peroxides, Oxidising agents

### 10.6. Hazardous decomposition products

Hazardous determin decomposition products: Carbon monoxide, Carbon dioxide, Flammable gases/vapours

# **11. Toxicological information**

## 11.1. Information on toxicological effects

#### Skin corrosion/irritation

Irritating effects on the skin and mucous membrane.

### Serious eye damage/irritation

Eye contact with the product may lead to irritation.

#### **Experience in practice**

The solvent vapours cause an irritating effect to the respiratory organs. Causes disorders of the central nervous system and can cause headache, respiratory difficulties or unconsciousness. Causes a numb feeling. Liver damage is possible.

#### Other information

Remarks

Remarks

When handled appropiately, even after long years of experience with this product, no adverse health effects are known.

Product specific toxicological data are not known.

# **12. Ecological information**

## 12.6. Other adverse effects

### General information / ecology

Do not allow undiluted product or large quantities of it to reach ground water, water bodies or sewage system.

# 13. Disposal considerations

# 13.1. Waste treatment methods

### Disposal recommendations for the product

Disposal in compliance with local and national regulations.

### Disposal recommendations for packaging

Dispose of as unused product.
